

It's a Woman's World: Shaping the Future of Digital Manufacturing

Tuesday, October 16, 2018
Rockwell Automation Global Headquarters,
1201 S. 2nd Street, Milwaukee, WI

Becky Frankiewicz

President, ManpowerGroup North America

In July 2017, Becky Frankiewicz joined ManpowerGroup as the President of ManpowerGroup North America. She brings high energy and passion, coupled with strong P&L experience from a large and complex global business.

Prior to ManpowerGroup, she led one of PepsiCo's largest subsidiaries, Quaker Foods North America. In that role, she was responsible for the \$2.6 billion business, leading all functions, sales and manufacturing. Under her leadership, Quaker Foods delivered impressive growth as she led the transformation of that brand to be known as America's "best start to everyday." She was also named by *Fast Company* as one of the most creative people in the industry, anticipating and adapting to fast changing consumer demands.

Prior to her success leading Quaker Foods, Becky held a variety of senior leadership roles at PepsiCo across the portfolio of brands. Her experience in these roles included leading innovation, finance, strategy, sales and marketing across the PepsiCo portfolio.

Becky also worked in strategic consulting with Deloitte and Andersen Consulting. She began her career at Procter and Gamble. She is a passionate team builder and people developer. Becky has a great educational track record, attaining top marks at the University of Texas, where she earned an MBA and Bachelor of Arts degree.

Becky is dedicated to her family, health and helping others succeed. She currently lives in Chicago with her husband and three daughters.
