

It's a Woman's World: Shaping the Future of Digital Manufacturing

Tuesday, October 16, 2018
Rockwell Automation Global Headquarters,
1201 S. 2nd Street, Milwaukee, WI

Mary Isbister

President, GenMet Corp.

Mary Isbister is President of GenMet Corp., a custom metal fabricating company located in Mequon, Wisconsin.

After graduating *cum laude* with a Bachelor of Science degree in chemistry, she worked at Pfizer, in Groton, Connecticut, for 11 years. During her tenure at Pfizer, she held positions in medicinal chemistry, clinical research and senior organizational development. In 1997, she moved to Wisconsin and founded Synergy Solutions, an organizational development and strategic planning consulting business which she ran until 2001.

In 1999, Mary and her husband purchased GenMet Corp., a custom manufacturer specializing in high value-added metal fabrications and enclosures. In 2010, GenMet was awarded Fabricator of the Year by the Fabricators and Manufacturers Association.

Her civil service includes:

- Wisconsin Governor's Council for Workforce Investment, Chair, 2013- 15
- U.S. Manufacturing Council reporting to U.S. Secretary of Commerce, Vice Chair and Member, 2010-14

She has served on Boards of Director for:

- National Institute of Standards and Technology Manufacturing Extension Partnership Advisory Board
- Milwaukee Area Technical College District Board
- Wisconsin Manufacturing Extension Partnership
- Metropolitan Milwaukee Association of Commerce and its Council of Small Business Executives
- Milwaukee 7 and its Next-Generation Manufacturing Council
